

It's almost time again for our Great Nanaimo Underwater Poker Dive! Yipee! The date is May 25, 08. The poker dive starts at Finn Beach at Neck Point Park and finishes at Sink or Swim Scuba.

The pot is only as big as the amount put into it, so come down to Sink or Swim Scuba and enter today! The fee is \$20.00 per person.

It's fun, it's easy and all levels of certified divers can play from old timer divers to price-tags-still-hanging-from-shiny-new-gear divers! Your skill level doesn't matter it's the poker hand you get at the end of the dive that might make you the grand prize winner!

If you weren't at last year's poker dive, here's how it works:

Sign up at Sink or Swim Scuba. It's okay if you don't have a buddy, we'll buddy you up as the poker dive date draws near. On the day of the event, you register at our table down at Finn Beach. Entry times will be staggered. Entrants complete a dive which consists of navigating to 5 different submerged poker boards and choosing one 'card' from each board. After completing the dive and exiting the water, head over to Sink or Swim Scuba. We'll be having a BBQ and waiting for every one to return to the store. Once everyone is back, we'll trade your underwater 'cards' for actual playing cards, and voila you have your poker hand. There will be a bonus card or two that you can win along the way, and then, the best hand wins the pot. Oh, but wait you have to share. There will be a second place winner too and we'll be handing out other prizes throughout the day... But you'll have to sign up to find out what. ;o)
